

Agency Ten22 provides award-winning media relations, strategic content and marketing services focused on the healthcare IT industry. While public relations and thought leadership make up a large part of what we do, there is so much more we offer!

When our clients asked for a shift in services to help during the coronavirus pandemic, we jumped at the opportunity to serve. Here is a breakdown of what our mighty team created for clients around COVID-19. From March to May 2020 Ten22 delivered...
